- ✘ Setting of Objectives.

# OUR STARTING POINT...

---

# PREPARATION...

- ✘ A meeting was held in April with all parents to address their concerns.
- ✘ A talk was given by the Educational Officer Mr. Stephen Camilleri and Ms. Joanne Farrugia.

# SETTING OUR GOALS FOR THE SCHOLASTIC YEAR....

- ✘ Together with Mr. Stephen Camilleri, we managed to formulate a set of goals and objectives which were attainable for the scholastic year. Thus a scheme of work was compiled....

# OUR GOALS AND OBJECTIVES

1. Giving the opportunity to students to learn how to work as a group, showing the importance of having fun and that of creating opportunity for everyone to speak.

# WORKING IN A TEAM

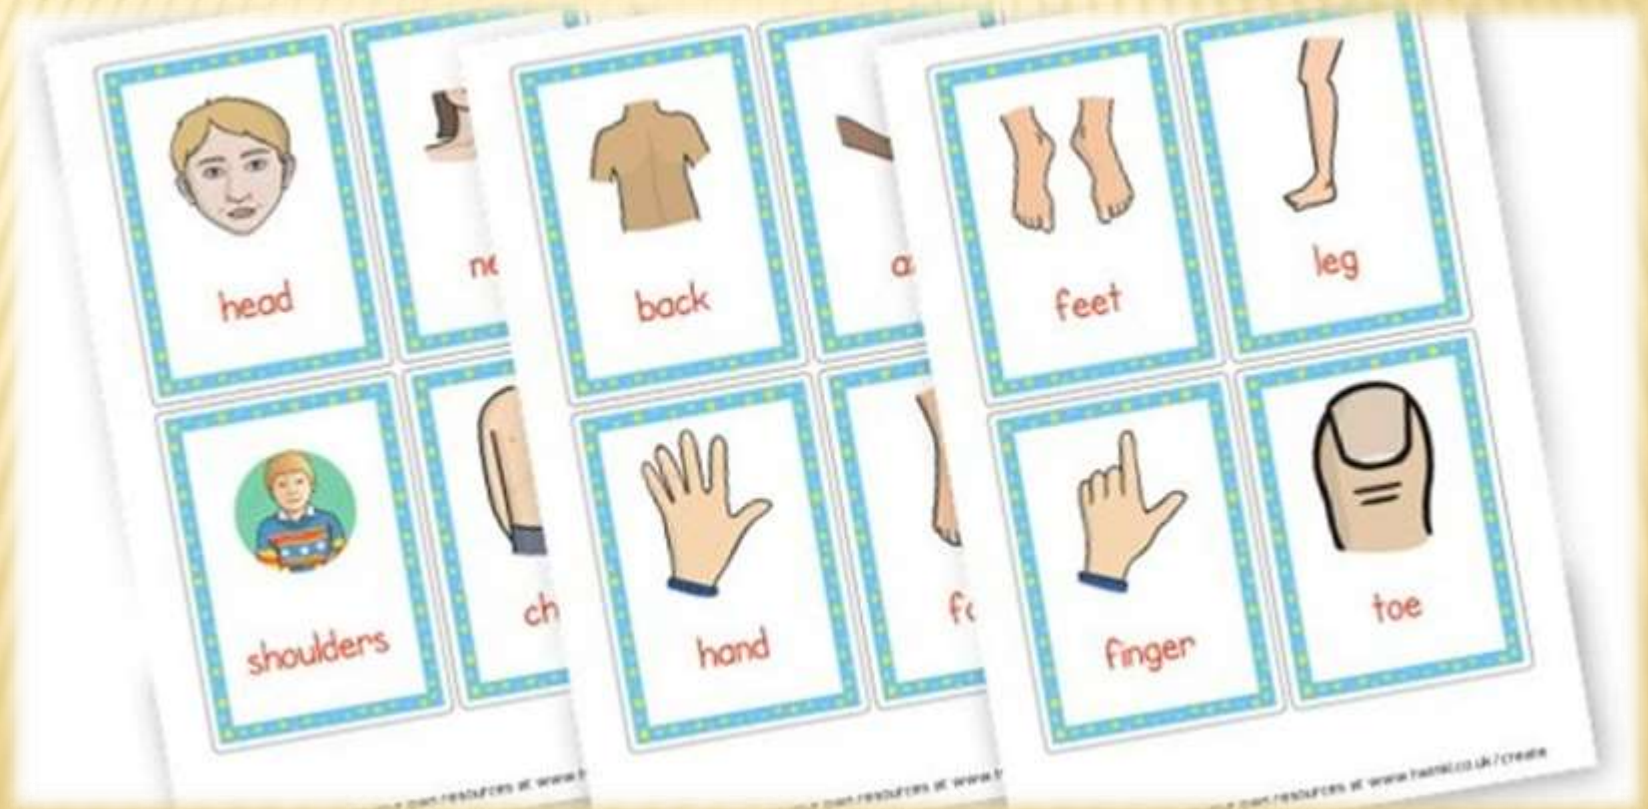

2. Give lots of positive comments on each student's appearance and achievements to help build self esteem.

# INCREASING SELF CONFIDENCE AND SELF ESTEEM

3. Explore the students' level of knowledge about parts of the body including the sexual and reproductive body parts.

# HOW OUR BODY IS CHANGING....

# 4. To explore the concept of public and private places and exposing body parts

# Pubbliku vs Privat

## Min jista' jara il-parti privata tiegħi?

ONLY my parents!  
ONLY my doctor!

NO grown-ups!

NO kids or friends!

Ħadd ma jista' jmiss jew jara il-parti privata tiegħek jekk mhux bil-permess tiegħek

NO! They can't look!

NO! They can't touch!

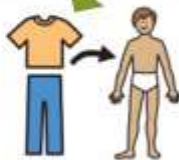

## Il-parti privata tiegħi

Tigi mghottija

My private parts are covered by my underwear

Għall-iskola jien nilbes l-uniformi jew hwejjeġ ta' kuljum

Underwear is private too. I wear clothes

Her bra and panties are private. She wears clothes

5. Enable the students to reflect on the need of personal hygiene due to physical changes.
