On Friday March 2019 the Test of Reasonableness Board (TORB) discussed a request for exemption received on the above indicated permit. Perit George Chetcuti was present on behalf of the applicant.

Exemption was requested on the back offices of the Libyan-Maltese Chamber of Commerce from being accessible for all.

CRPD objected on the following non-conforming elements:

- The access route to the main entrance contains a flight of steps and hence the development is not accessible to all.
- The width of the door leaf openings do not conform to AADG 2011.
- No accessible for all sanitary facilities have been provided.

Taking all arguments in consideration, the TORB concluded that it is **NOT REASONABLE** to exempt as not all possible solutions have been considered.
