PA/04224/17 – Balzan – Demolition of existing house, excavation and construction of basement garages, and guest house (class 3A).

On Friday 21st June 2019 the Test of Reasonableness Board (TORB) discussed a request for exemption received on the above indicated permit. Mr. Norbert Camilleri, Ms. Jacqueline Camilleri and Mr. Lino Abela were present on behalf of the applicant.

Planning application was already granted approval by CRPD and the relevant Authorities in March 2019. Exemption was requested in order to install a smaller platform lift than per permit approval.

Taking all arguments in consideration, the TORB concluded that it is **NOT REASONABLE** to exempt. Platform lift as per permit approval and as according to Maltese Accessibility Standards should be installed.
