TRK221838 – Isla – Change of use from residential to community office including alterations to approved permit PA/05441/16, reduction of top floor & third floor bathroom.

On Friday 21st June 2019 the Test of Reasonableness Board (TORB) discussed a request for exemption received on the above indicated permit. Perit Joseph Saliba and Mr. Ray Bezzina were present on behalf of applicant.

Exemption was requested from CRPD's requirements on the below due to the limitations of the historic building.

- Basement store accessible only by staircase
- Dimensions of Lift
- Main Entrance Access

Taking all arguments in consideration, the TORB concluded that it is **REASONABLE** to exempt the basement store and lift from conforming to Accessibility Standards. A step-platform lift should however be considered for the entrance.

**Exempted elements are ticked in an 'X' above*
