PA/04970/16 – San Ġiljan – Proposed embellishment of part Triq Scicluna, St. Julians.

On Wednesday 2nd October 2019 the Test of Reasonableness Board (TORB) discussed a request for exemption received on the above indicated permit. Perit Joseph Caruana was present on behalf of the applicant.

Permit was issued in 2017 with an approval from CRPD for a stair inclined platform lift. Exemption being requested from the installation of such stair inclined platform lift in view of the extreme weather conditions of the site during bad weather, rain accumulation and due to the fact that the adjacent third party owners refused to allow the fixing of the stair lift to their wall.

Taking all arguments in consideration, the TORB concluded that it is **REASONABLE** to exempt on the installation of the platform lift.
