PA/02777/15 – Ta' Xbiex – Proposed ramps for the use of persons with special needs providing access to sea and existing belvedere at NFRP outfall.

On Tuesday 17th December 2019 the Test of Reasonableness Board (TORB) discussed a request for exemption received on the updated proposal related to the above indicated permit. Perit Carmel Mifsud Borg was present on behalf of the applicant.

Permit application was already approved both by CRPD and the Planning Authority in 2018, however a fresh proposal was submitted to CRPD for two ramps with a non-conforming gradient. Exemption requested in view of the sea depth in regards to the ramp leading to the sea, financial reasons, and objections by the Local Council.

Taking all arguments in consideration, the TORB concluded that it is **NOT REASONABLE** to exempt.
